

## Discussion Topics from STAB Meeting on April 3, 2025

- Announcements
  - RCNJ awarded a NJ-CCIC grant that pays for increased Crowdstrike coverage for campus with a value in excess of \$400K over 5 years
- Updates
  - Student Printing (200 sheets per year free; cost per sheet after...)
  - Degree Works training in August / September
    - Joint effort between Registrar and Student Success using Canvas (self-paced courses)
    - Course Dog training by Registrar, timeline to be determined over the summer
- Other IT Initiatives:
  - Phone System Replacement
    - Google Meet or Teams Meetings to replace Webex Summer 2026
  - EUP (Ethos User Provisioning) implementation later this year – improves user access control and management processes (should be transparent to end users)
  - Email culling
  - Academic server upgrades
