

MOBILE PRINTING

Email

1. Login to your Ramapo account at:

https://print.ramapo.edu

2. Click the "Upload" button.

Secure Login

Password

Keep me log

3. Select your document, then use "Print Options" to change your document settings such as sides (single or double-sided), copies, etc.

4. Log into any of the print release stations at Ramapo to print your document.

You can print to any Ramapo printer with a release station from your mobile device by emailing your documents to the print queue.

Simply attach your documents to your email and send to:

print@ramapo.edu

Then log into any of the print release stations to print your document.
