

How to Withdraw from a Class in Web Self-Service

Center for Student Success

Please note the following important information:

Please note details related to **WITHDRAWING** from a course:

- Dates related to withdrawing can be found on the [academic calendar](#).
- A student who decides to **WITHDRAW** from a course after the 50% refund period (but no later than the last day to withdraw from a course) may do so on Web Self-Service. Students with HOLDS may visit the Office of the Registrar for assistance with withdrawing from courses. Once the withdrawal is processed, both student and instructor will receive notification that the student has been withdrawn from the course. **Withdrawn courses appear on a transcript as a grade of “W”; this shows that you attempted the course, but not completed it**
