

RCNJ

How to opt in to RCNJ Alerts

Center for Student Success

Download the Regroup App

- After downloading the Regroup mobile app, click the Regroup Icon to open it.
- Click the country drop-down menu and select **USA**.
- Enter your ramapo.edu email address in the email field.
- Enter **rcnjpublicsafety** in the Network field and click “Continue.”
- Click “**Login Using SSO,**” then use **your RCNJ password** to login.

Why download the Regroup app?

- Allows RCNJ Public Safety to communicate directly to users during emergencies;
- Allows users to request emergency assistance instantly with one-click alerts for rapid response times;
- Enables students, faculty, and staff to share real-time feedback and updates using two-way messaging;
- Secure Track feature allows students, faculty and staff to share live location and safety status in real time. The system can automatically detect deviations or missed check-ins to support student and lone-worker safety.
