**Ramapo College Offers Information Session for New Project Management Certification Program May 10**

(MAHWAH, NJ) – The Anisfield School of Business at Ramapo College of New Jersey is holding an Information Session on Tuesday, May 10 in ASB-522 for the new Project Management Certification program.

Those registering for the Ramapo College Project Management Certification program gain an in-demand skill set employers are seeking. Participants learn to use Microsoft Project and Visio software, how to manage with limited resources, and gain managerial and organizational skills in the areas of leadership, communication, and intercultural understanding. Graduates will meet the education requirements for the Certified Associate in Project Management (CAPM®) and Project Management Professional (PMP®) standardized examinations. These examinations are offered through the Project Management Institute (PMI), the global standard for Project Management credentials. Ramapo College has met the rigorous standards of the PMI for Registered Education Provider Status, and is PMI Registered Education Provider # 3281.

Used extensively in information technology, construction, energy, government, manufacturing, accounting and entertainment, Project Management is a rapidly growing career field with a robust number of current job openings. The Project Manager has many responsibilities including launching new products and services, managing team projects, working within the international arena and communicating with people of varying backgrounds, cultures and norms.

The next Module begins on May 17. Each module is scheduled over four weeks. Modules are offered in the fall, spring and summer. The application is available at: [www.ramapo.edu/cipl/project-mgmt](http://www.ramapo.edu/cipl/project-mgmt). For additional information, please contact the Anisfield School of Business Director of Professional Business Programs, John R. Thomas, at [jthomas3@ramapo.edu](mailto:jthomas3@ramapo.edu).
