

Nursing: Bergen CC – Ramapo Articulation - RN/BSN Curriculum Map* Recommended Three Year Plan

The RN to BSN Program at Ramapo is designed for students who have completed an Associate of Science Degree or Diploma in Nursing and are licensed as a registered nurse. This program awards the Bachelor of Science in Nursing. The recommended three-year plan is designed to provide a blueprint for students to begin the Nursing program at Bergen Community College and as per the RN/BSN articulated program agreement signed in October 2018, will allow up to 90 transfer credit from Bergen Community College. The curriculum map below outlines the Nursing AAS degree plus the additional credits to be taken at BCC, prior to enrollment at Ramapo. This plan is the required sequence of courses for students wishing to complete the RN/BSN Articulated Program in 3 calendar years, instead of the typical 2+2, AAS and BSN degrees. This plan assumes that students have already completed the first 2 years of study and that no developmental courses are required. If developmental courses are needed, students may have additional requirements to fulfill which are not listed in the plan. **NOTE: This plan is the recommended sequence of courses, and may differ depending on a student's transfer credits and/or academic history.*

First Year at BCC								
Fall Semester	HRS	✓	Spring Semester	HRS	✓	Summer Semester	HRS	✓
BIO 109 – Anatomy and Physiology	4		BIO 209 – Anatomy and Physiology II	4		MAT 150	3
