

Nursing: CCM (County College of Morris) – Ramapo College of NJ Articulation - RN/BSN Curriculum Map* Recommended Four Year Plan

The RN to BSN Program at Ramapo is designed for students who have completed an Associate of Applied Science Degree or Diploma in Nursing and are licensed as a registered nurse. This program awards the Bachelor of Science in Nursing. The recommended four-year plan is designed to provide a blueprint for students to begin the Nursing program at County College of Morris and as per the RN/BSN articulated program agreement signed in November 2018, will allow up to 93 transfer credit from County College of Morris only. The curriculum map below outlines the Nursing AAS degree plus the additional credits to be taken at CCM, prior to enrollment at Ramapo. This plan is the required sequence of courses for students wishing to complete the RN/BSN Articulated Program in 3 calendar years, instead of the typical 2+2, AAS and BSN degrees. This plan assumes that students have already completed the first 2/3 years of study and that no developmental courses are required. If developmental courses are needed, students may have additional requirements to fulfill which are not listed in the plan. ***NOTE:** *This plan is the recommended sequence of courses, and may differ depending on a student's transfer credits and/or academic history. Please refer to the Official Articulation Agreement and CCM Nursing Student Handbook for updates and any changes regarding this program.*

First Year at CCM								
Fall Semester	HRS	✓	Spring Semester	HRS	✓	Summer Semester	HRS	✓
