

Nursing: HCCC (Hudson County Community College) – RCNJ (Ramapo College of New Jersey) Articulation

RN/BSN Curriculum Map - Recommended Accelerated Plan*

The RN to BSN Program at Ramapo is designed for students who have completed an Associate of Science Degree in Nursing and are licensed as a registered nurse. This program awards the Bachelor of Science in Nursing. The recommended accelerated plan is designed to provide a blueprint for students to begin the Nursing program at HCCC and as per the RN/BSN articulated program agreement signed in Fall 2019, will allow up to 92 transfer credits from HCCC and prior academic work. The curriculum map below outlines the Nursing AS degree plus the additional credits to be taken at HCCC, prior to enrollment at Ramapo. This plan is the required sequence of courses for students wishing to complete the RN/BSN Articulated Program in an accelerated format. If developmental courses are needed, students may have additional requirements to fulfill which are not listed in the plan. **NOTE: This plan is the recommended sequence of courses, and may differ depending on a student's transfer credits and/or academic history. Please refer to the Official Articulation Agreement and HCCC Nursing Department for updates and any changes regarding this program.*

First Year at HCCC								
Summer Semester	HRS	✓	Fall Semester	HRS	✓	Winter/Spring Semester	HRS	✓
