By enrolling in GoalMaker and selecting a GoalMaker model portfolio, you direct Prudential to automatically rebalance your account according to the model portfolio chosen on a quarterly basis.

Please be aware that any assets moved out of the state-managed investment options may not be reinvested in those options in the future. This includes assets that are moved as part of a rebalancing request, such as would occur with a GoalMaker enrollment.

Selecting Your Own Investment Allocation

If you have any questions, please contact a Customer Service Representative at 1-866-657-3327.

**Your
Authorization**

I direct Prudential to process this transaction(s) in accordance with my instructions above.

Please note that if you have selected GoalMaker and you have an existing account balance in the four prior investment options (DCP Money Market Fund, DCP Bond Fund, DCP Equity Fund, and DCP Small Cap Equity Fund), these assets will be automatically redirected to the GoalMaker model portfolio on the same business day that you enroll. Your account will automatically rebalance at the end of each quarter thereafter. The four prior investment options were "frozen" on January 1, 2006, to any additions of capital. Any assets transferred from these four investment options, including the rebalancing performed by GoalMaker, into any of the new investment options added to the Plan on January 2, 2006, may not be transferred back into these four prior investment options.
