SUMMARY OF BENEFITS AND PRIVILEGES

For Full-Time Unclassified Employees

Full-Time Unclassified Staff Benefits Upon Employment

Benefits Eligibility

The College, as a State employer, provides health, dental and prescription benefits to all full-time employees and their eligible dependents. Coverage begins two months from date of hire. 10 month faculty hired September 1 are covered immediately.

Eligible dependents include spouse, same-sex domestic partner as defined by the Domestic Partnership Act, civil union partners, and unmarried children until the end of the year in which they attain age 26. Coverage will cease automatically December 31 following the attainment of age 26 for dependent children. Coverage can be continued on an individual basis through COBRA for up to 3 years. Certain overage children may be eligible for coverage until age 31. The child must be: under age 30; unmarried; have no dependents; be a resident of New Jersey or full time student; and not covered by another plan.

Dependent Children With Disabilities — If a child is not capable of self-support when he or she reaches age 26 due to a mental or physical disability, he or she may be eligible for a continuance of coverage. To request continued coverage, contact the Office of Client Services at (609) 292-7524 or write to the New Jersey Division of Pensions & Benefits, Health Benefits Bureau, P.O. Box 299, Trenton, NJ 08625 for an Application for Continued Enrollment for Dependents with Disabilities. The application and proof of the child's condition must be given to the NJDPB no later than 31 days after the date coverage would normally end. Since coverage for children ends on December 31 of the year they turn 26, you have until January 31 to file the Application for Continued Enrollment for Dependents with Disabilities. Coverage for children with disabilities may continue only while (1) you are covered through the SHBP or SEHBP, (2) the child continues to be disabled, (3) the child is unmarried, and (4) the child remains dependent on you for support and maintenance. You will be contacted periodically to verify that the child remains eligible for continued coverage.

Health and Rx Coverage

Comprehensive health and prescription coverage is offered under the State Health Benefits Program. Plans offered include a PPO, HMOs and several low cost plans. Employees pay a percentage of premiums, based on level of coverage and annual salary or 1.5% of base salary, whichever is greater. The low cost plans that are offered have higher deductibles and copays which in turn reduce employee payroll deductions. All plans should be reviewed carefully and compared with spousal/partner coverage if available prior to making an enrollment decision. Once enrolled changes will not be permitted with the exception of the annual open enrollment period and due to qualifying family events such as marriage, divorce, birth and death. Additional information on health plans that are offered is available from the Benefits Office or at the following link:

<https://www.state.nj.us/treasury/pensions/documents/guidebooks/hb0505.pdf>

Dental Coverage

Full time employees have a choice between two types of dental plans, a DPO or indemnity type plan.

DPOS are companies that contract with a network of providers for dental services. There are several DPOS offered. If you select DPO coverage you must use providers who participate with the DPO you enroll in.

The indemnity plan allows you to choose any licensed dentist for your dental care. There is an annual deductible and you will be reimbursed a percentage of reasonable and customary charges for services that are covered under the plan.

Once enrolled, you and your eligible dependents must remain in the dental plan you elect for a minimum of 12 months before you change plans or drop coverage. In the event you wish to change dental plans, you will not be permitted to do so until the Open Enrollment period following the 12 month period. A payroll deduction is required. All plans should be reviewed carefully and compared with spousal/partner coverage if available prior to making an enrollment decision. Once enrolled changes will not be permitted with the exception of open enrollment periods and due to qualifying family events such as marriage, divorce, birth and death. Additional information on dental plans that are offered is available from the Benefits Office or at the following link:

Vision Care Program

This plan covers all full-time employees and their eligible dependents after two months of employment, for partial reimbursement towards eye exams and lenses (single, bifocal or contact). There is no reimbursement toward frames. Benefits are paid in accordance with the bargaining unit agreement. Please refer to your bargaining unit agreement for specific reimbursement rates. An

itemized receipt indicating the cost of the exam along with the cost and type of lenses should be submitted to the Benefits Office of the Department of Human Resources for reimbursement. There is no salary deduction for coverage.

The employer contribution is 8% and the mandatory employee contribution is 5%. The employee is vested in the ABP at the beginning of the second year of employment or vested immediately if there is an existing qualified retirement account from the previous State employer. Current Providers are: Employer (formerly Prudential) • Equitable (formerly AXA Financial); • Empower/ Gitterman Wealth Management (formerly MassMutual) • TIAA; • MassMutual Retirement Services; • Corebridge Financial (formerly AIG); • MetLife (Brighthouse); and • VOYA Financial Services.

Before having any additional contributions deducted, members should contact the authorized carrier of their ABP account for a calculation on the exact amount available to them for a Section 403(b) contribution. These contributions cannot exceed the actual dollar limits eligible for tax shelter in a given tax year.

There is a lump sum payment (SCOR) of one-half of accumulated sick time up to \$15,000 at retirement for non-faculty employees.

Classification and Compensation

All unclassified AFT employees (faculty, professional staff and librarians) are governed by the provisions of the AFT contract, the NJSA 18A, and Ramapo College Board of Trustees Policy. The College administers state-wide compensation schedules which designate the salary range for each position title. Each State title has assigned to it a salary range consisting of twelve (12) steps. Once employed, movement from one salary to the next or higher salary step for bargaining unit employees is dependent upon satisfactory performance and salary program provisions of respective collective

bargaining agreements. This upward movement generally happens on the employee's anniversary date which is approximately one year after the date of hire.

Unclassified Non-AFT employees (managers) are not in a bargaining unit and are governed by the provisions of NJSA 18A and Ramapo College Board of Trustee Policy. There is a performance-based compensation plan for managerial employees at Ramapo College. The anniversary date of managerial employees is July 1. The compensation schedule provides for a minimum and maximum salary for each salary range. The amount of an annual increase is based on performance and availability of funds. There are no automatic annual increases for managers.
