Honors Convocation Debriefing – Suggestions.

B. Langer noted there were fewer than 25 faculty in attendance at convocation.

There was a suggestion to have a faculty procession or to do away with it altogether.

Discussion on room and sound quality.

Academic Standing and Advising

Banner prevents students immediately reinstated or returning from having served a suspension term from registering for the following semester. Student is then forced to go to the registrar to receive permission to register. E. Daffron proposed that students

go to their advisors (CAAFYE or faculty) before going to the Registrar. There was general agreement, though faculty advisors will need to be informed.
