How to use Caleco Laundry Monitoring System

1. Go to: www.calecolaundryequipco.com

2. If this is your first time, click the link to register

3. Fill out all the registration information

4. For location, select “Ramapo College”

5. The following screen will show you all of the laundry machines currently in use.

6. Indicate what laundry machines/dryers you are using and select “Text Me” or “Email Me” to get notification when your cycle is complete.
