IMPORTANT INFORMATION ABOUT THE ONLINE HOUSING APPLICATION FOR FIRST-YEAR STUDENTS

To assist the Office of Residence Life with placement, students are required to complete an online application for housing between Monday, May 18, 2020 at noon and Monday, June 8, 2020 at noon. The housing portal will be available 24 hours a day until it closes on Monday, June 8, 2020 at noon.

STUDENTS WILL NOT BE ASSIGNED HOUSING, IF THIS APPLICATION IS NOT COMPLETED BY THE DEADLINE.

The housing portal does not allow students to confirm more than one person as a roommate nor does the housing portal allow the selection of a specific residence hall. It is important to complete the online housing application before the housing portal closes or it will affect the student’s ability to request their preferred roommate.

If students would like to request a six-person suite in Pine Hall with suitemates of their choice, please send an email to reslife@ramapo.edu by the deadline of June 1, 2020. Please copy (“CC”) all the potential suitemates on the email, so we know they are aware of the request.

Students are encouraged to take their time when completing the online housing application, as they will not be able to make changes once it has been submitted. A “How To” guide will be available to help students with their online application for housing. This guide will be available via the Residence Life webpage at 4:00 p.m. Friday, May 15, 2020. Students are encouraged to review the guide before creating their online housing application.

Students, who submit their housing deposit after June 1, 2020, may experience a delay in accessing the online housing portal. Students must wait until they have received a housing packet before logging into the housing portal to create their online application.
