The Student Government Association promises to be the persistent voice of the student body. As per our motto, we make it our duty to foster a sense of community throughout the Ramapo College campus. We encourage all those within the Ramapo College community to take the following pledge.

I pledge:

- To respect the rights of all individuals.
- To seek assistance and intervene if I am aware that an individual is in harm’s way and be a Good Samaritan.
- To encourage and help foster a safe and inclusive campus environment in which sexual assault is unacceptable and not tolerated and survivors are supported.
- To be aware of and utilize the appropriate resources of Ramapo College and the surrounding area and refer other students to them as well.
- To be a good samaritan and live and learn at Ramapo with integrity and decency.

*By signing below, you agree to help build a better community for Ramapo.*
