It takes less than a minute!!

b. Janelle- There is a panel tomorrow about everything happening in the Middle East at 5pm in Alumni Lounges.

i. Anything you want me to bring up to Jan relating to the equipment initiative?

c. Alex- I'm currently working on a new bill apart from the one Jane and I are working on, and I'd like to collaborate on it with Madi, Eveyln, and anybody who wants to help. Bill is linked to dining services about digital menus catering to people's needs for food and digital menus to order from, similar to McDonald's virtual menu. I have been asking current Ramapo College students about changes they like to see for Ramapo college, and hope for its future. I will set up a google meet so we can start working on this New Bill proposal. Apple pay
