Math Club Meeting #2: A "Step" Outside the Classroom

This Wednesday, September 28th, from 1-2:30 PM, there will be a hike in the Ramapo Reservation as an opportunity for you to socialize with Math Club members and faculty, as well as ask questions informally about advisement. The hike will include a picnic where light lunch will be served.

Whether you're interested in seeking some advisement help or simply enjoying a day in the Reservation, come and spend the day with Math Club members and faculty! We will be leaving the Visitor's Circle *promptly* at 1 PM. So be sure to arrive at 12:45 PM if possible.

We hope to see you there!

All are welcome at Math Club meetings. So bring a friend! For more information about the Math Club, please visit our website at:

<http://phobos.ramapo.edu/majors/mathematics/AvailableAtRamapo/MathClub20112012.htm>

Or contact one of the faculty advisors:

Dr. Donovan McFeron, dmcferon@ramapo.edu
Dr. Amanda Beecher, abeecher@ramapo.edu
Dr. James Gillespie, jgillesp@ramapo.edu
