Math Club Meeting #3: Movie Night - "Cube 2: Hypercube"

For this semester's Math Club movie, we will be showing the 2002 sci-fi/mystery, "Cube 2: Hypercube". IMDB has a nice plot summary (with spoilers) and the original trailer at the following link:

<http://www.imdb.com/title/tt0285492/>

The movie will be shown this Wednesday evening 10/26, from 8:00-9:30 PM, in the Laurel Hall Movie Theater. As always, pizza, snacks and soda will be provided. The movie will begin promptly at 8pm; we hope to see you there!

All are welcome at Math Club meetings. So bring a friend! For more information about the Math Club, please visit our website at:
