Mission^{1a}:

The Ramapo College of New Jersey Teacher Education and Certification Program is committed to the preparation of teachers who are highly competent in their academic disciplines and instructional skills. Our program, aligned with the New Jersey Professional Standards for Teachers, prepares students at the undergraduate and post-baccalaureate level to be teachers who model reflective, innovative behavior while demonstrating love and enthusiasm for life-long learning. The Teacher Education and Certification Program at Ramapo College seeks to ensure that teachers are prepared to communicate effectively, establish productive relationships, and respond to the needs of individual learners, the teaching profession, and the greater community in a fair, equitable manner. Finally, our program emphasizes the needs of a democratic society. We are preparing teachers to be leaders in the effort to make the world a safer, more compassionate, and more productive place where respect for all life, for our environment, and for the dignity and diversity of all people will be common priorities.

^{1a} The mission statement was provided to the NJDOE by the institution through the application process to become an approved teacher preparation provider.

Evaluation Results and Impact Data

Evaluation data for certified program completers from the 2021-22 school year employed in the 2023-24 school year.

Summative Score

Summative scores are based on multiple measures of student achievement and teacher practice. While all teachers receive an annual summative evaluation, the components used to determine the summative score vary depending on the grades and subjects that educators teach.

Teacher Practice Score

Practice is measured by performance on a teacher practice instrument, which is used to gather evidence primarily through classroom observations and pre/post-conferences. Districts have the flexibility to choose from a growing list of state-approved instruments.

Teacher SGP Score

Median Student Growth Percentile (mSGP) scores are one of the multiple measures of student achievement for qualifying teachers of 4th-8th-grade Language Arts and 4th-7th-grade Math.

Teacher SGO Score

The combined score for a teacher's Student Growth Objectives as assessed by the district's evaluation system for assigning teacher or principal performance ratings.

Note: Teachers classified as "NE (Not Evaluated)" are not included in the charts but are included in Counts.

Note: Data has been suppressed where the number of teachers is fewer than 10 to ensure the privacy of individual teachers.

Data Collection and Reporting	<p>The New Jersey Department of Education (NJDOE) collects and aggregates the data used for this report from multiple sources. Suppression rules have been applied for the assessment, compensation, and evaluation data included in this report to prevent the identification of individuals and the disclosure of their personal information. The NJDOE collects:</p> <ul style="list-style-type: none"> • Certification data from EPPs and individuals through the Teacher Certification Information System (TCIS), which contains all information regarding the certification status of teachers who have applied for and/or hold a New Jersey certification. • Employment and Compensation data from school districts through the staff-level Standards Measurement and Resource for Teaching (NJSMART) data system. • Higher Education data from the Office of the Secretary of Higher Education's (OSHE) Student Unit Record (NJSURE) system. OSHE collects data from Institutions of Higher Education (IHE's), but not all IHEs are required to submit data to the NJSURE database. Non-submitting institutions have been noted in the report. • Program level data from EPPs through the teacher preparation program approval process. • School level category data is calculated using growth and proficiency data. This data includes student assessment data, graduation rates, and student growth over time. • Student level demographic data from school districts through the student student-level Standards Measurement and Resource for Teaching (NJSMART) data system.
edTPA	<p>Educative Teacher Performance Assessment (edTPA) is the Commissioner-approved assessment measuring a candidate's ability to prepare a lesson, deliver instruction, and assess student learning.</p> <p>In June of 2014, regulations requiring teacher candidates to pass a performance assessment in order to gain licensure were adopted. In December of 2015 edTPA was selected as the Commissioner- approved assessment. On August 3, 2016 the State Board of Education voted to set the cut score on the Commissioner-approved performance assessment, edTPA. As of September 1, 2017, successful completion of the performance assessment will be required for all candidates seeking a Certificate of Eligibility with Advanced Standing (CEAS) and Certificate of Eligibility (CE) holders will be required to successfully complete the performance assessment before earning a standard certificate.</p>
