

ARTICULATION AGREEMENT

Between
Ramapo College of New Jersey
and
Westchester Community College

This articulation agreement defines terms under which Westchester Community College graduates who transfer directly and matriculate at Ramapo College of New Jersey within one year of receiving their associate's degree will receive a 50% discount on the out-of-state tuition surcharge until they have earned their first baccalaureate degree. Enrollment at Ramapo College must be continuous to benefit from the tuition discount.

This agreement will become effective as of the Fall 2015 semester, beginning for newly enrolled students as of September 2, 2015.

While this articulation agreement pertains only to a financial arrangement between Westchester Community College and Ramapo College, it can be anticipated that it will lead to further cooperative endeavors and program to program academic course articulations. In brief it provides a foundation for the continual expansion of mutually beneficial relations between the two institutions.
