BETWEEN  
RAMAPO COLLEGE OF NEW JERSEY  
AND BERGEN COMMUNITY COLLEGE

AGREEMENT made and entered into on 9/28/18 by and between Ramapo College of New Jersey, hereinafter referred to as RCNJ and Bergen Community College, hereinafter referred to as BCC.

WHEREAS, RCNJ is baccalaureate and master's degree granting college dedicated to the provision of instruction in the humanities; the natural, behavioral and social sciences; business, education and social work; and health professions;  
and

WHEREAS, BCC is an associate's degree granting community college dedicated to offering a comprehensive set of affordable, accessible, high-quality credit and non-credit courses as well as degree and on-degree programs;  
and

WHEREAS, RCNJ and BCC wish to conduct strong educational programs grounded in the strengths of both institutions without needless duplication of resources;

NOW THEREFORE, RCNJ and BCC wish to confirm in writing the terms of mutual and individual responsibilities related to the articulated program of education leading to a Bachelor of Science in Nursing.

I. General Description of the Program

- A. **Design of the Program** – RCNJ proposes a plan whereby Nursing students who have earned the associates degree in Nursing from BCC, can enroll in the RCNJ BSN program through a program of study that includes courses taught at BCC and courses at RCNJ. The program will allow transfer of up to 90 credits from BCC and require that all BSN graduates satisfy the upper level Nursing and remaining degree completion coursework as identified in the curriculum checksheet. Any and all students who complete the AAS in Nursing degree through BCC, wishing to participate in this articulation agreement and earn up to 90 transfer credits, must satisfy the identified courses through prior transfer credit from an accredited institution or BCC, prior to the enrollment in the BSN program at RCNJ.

B. **Routes of Entry** – BCC students who meet the established admission criteria will need to apply through the RCNJ Office of Adult and Graduate Admissions. All students must meet the standard admissions requirements. All students participating in the outlined plan will maintain financial aid eligibility and maintain satisfactory academic progress.

C. **The Program** – The chart below outlines the Ramapo portion after completion of the AAS degree and additional credits. The BSN portion may be completed in 3 semesters for those completing the 90 credits through BCC.

### **RCNJ College Graduation Requirements**

This MOU allows for exceptions to RCNJ's current transfer and residency requirements for students who transfer to RCNJ through this agreement. ### **Program Quality Control**

RCNJ and BCC will establish a committee to monitor the course equivalencies and academic preparation of students to ensure each program continues to meet its professional standards.
