April 2025

The intent of this agreement is to define the procedures for a transfer articulation between Sussex County Community College and Ramapo College of New Jersey. The successful implementation of the Agreement depends on the communication of its contents to all involved participants, and the assumption of responsibility by both institutions for such communication.

This AGREEMENT is based upon the completion of an Associate's degree in the approved transfer programs as identified in the Agreement.

This AGREEMENT is in full compliance with the State's Full Faith and Credit Policy and the Transfer Advisory Board's Interpretive Statement of that policy.

The terms of the AGREEMENT will become effective immediately upon the signatures of both parties. Thereafter, Ramapo College will provide information packets for transfer admission, special transfer days and other recruitment services. In turn, Sussex County Community College will make available to its students all information, including the list of course equivalencies pertaining to this agreement. The agreement and equivalencies will be reviewed when programmatic changes occur to any of the programs.

The AGREEMENT is to facilitate the smooth transfer and transition of graduates from Sussex County Community College into appropriate upper-level programs. The successful implementation of the Agreement depends on the communication of its contents to all involved participants and the assumption of responsibility by both institutions for such communication.

#### **Descriptions of the Programs:**

This agreement is to establish a 2+2+1 program for students to earn three credentials in as little as five years:

- A.A. in Liberal Arts at Sussex County Community College
- B.A. in Elementary Education at Ramapo College
- M.A. in Special Education at Ramapo College

The 2+2+1 program is an option that builds on the traditional 2+2 pathway for students to transfer from SCCC with an A.A. to Ramapo College to earn their B.A. By earning their B.A., students are eligible for the M.A. program which can be completed in one additional year.

#### **Completion of Programs:**

Sussex County Community College transfer students will be required to meet all graduation requirements as listed for Ramapo College.

Students that enter into the 2+2+1 program may choose to complete only the traditional 2+2 program earning only a B.A. in Elementary Education. There are no penalties for not completing the full 2+2+1 program.

Students that choose to enter the 2+2+1 program are not required to complete their M.A. in one additional year. They may elect to increase the timeline to complete the program.
